

Lakies Weekly Grade 8 Task List

Hey Gators, please find your tasks to be completed this week.

Week of: March 30 – April 3

Language Arts:

Hello beautiful humans! Welcome to the first full week of online school. I am so proud of you!

The daily journals I have been getting have made me laugh out loud, cry, and have inspired me when I need it most. Please skip writing on the weekend (if you want to) and you can write about ANYTHING. I don't want you to spend more than 20 minutes (more if you are enjoying it). Have some fun with it, write poetry, song lyrics, include pictures for those tech people out there that know how, include stories of your life, or just stories...anything is acceptable. I will do my best to respond as often as I can. I look forward to it!

I will check Litsy daily to see what you are reading and posting about and will respond to you there. If you are struggling for books to read, there are so many options out there right now. So many online libraries have opened up for free and there are so many authors reading their books online. If you find an interesting site, share it with us all. Contact me anytime if you need help finding materials.

As for the choice assignment, choose the one you feel most comfortable with – this is just the start. Don't be afraid to fail – you can't on this. This is to help us grow and learn in this environment – do it with enjoyment and have fun. Miss you!

Social Studies:

Please complete the following tasks this week. All materials and resources are available on our Moodle page.

1. Watch the short "Chapter 9 Notes Overview" video. It will explain how to complete the notes, if necessary view the flap book or paragraph samples.
2. Use Chapter 9 to complete part one of the Spanish Worldview notes. Part two will be distributed next week. Please see the complete guide posted on Moodle.
3. Watch the Chapter 9 "Spain Looks Westward"
4. Use the video lecture or PowerPoint PDF to ensure that you have included the proper amount of detail.
5. Please upload a copy of your completed notes using the link provided on Moodle. You can upload your word documents or photos of the flap books or hand written work.
6. If you are attending the optional online debate and discussion meetings on Zoom scheduled times by class pattern have been emailed to students by Mrs. Anderberg and are posted on Moodle. Please prepare by thinking about the discussion questions posted on Moodle.

Lakies Weekly Grade 8 Task List

Hey Gators, please find your tasks to be completed this week.

Week of: March 30 – April 3

Math:

Please log on to moodle to access all of these resources

- Watch the three videos related to 5.3 on surface area of a rectangular prism.
- Do textbook questions at the end of the third videos.
- Go to Khan academy and do assigned questions
- Go to this website <https://courseware.cemc.uwaterloo.ca/27/assignments/861/3> watch the video on “calculating surface area” only watch up to 2:25.
- Complete formative assignment

Science:

What you should already have done:

Enrolled in Moodle

Enrolled in **explorellearning.com**

Watched section 1,2 review notes on Youtube.com

What you should get done this week:

Monday: Check Moodle for a link to a Digestive System video and fill in notes.

Tuesday and Wednesday: Work through explore learning Digestive System lab

Thursday: Work through digestive system assessment questions and watch the notes again if you need to.

Friday: Use your science time for one extra joggy-jog outside. See you on the path...but 2m away.

Additional Activities:

Please remember to check out your **Enrichment Activities** and **Lakie PE** classes on Teams for more amazing learning!

Lakies Weekly Grade 8 Task List
