FRI

Good Friday – Enjoy the weekend and Easter break. I'll be back April 20 with a new week of work.

**Social Studies:** Please **continue** with the **document** that you started **last week** regarding **Chapter 9** and the **Spanish Worldview**. You were told that the work for this week would be a **continuation** of those **documents**. This week you will **focus** on developing your understanding of the **final two components** of the Spanish Worldview, **Glory** and **God** and **complete** a **quiz**. All **links** and **resources** including the **textbook** are available on **Moodle**!

1. Use **Chapter 9** to **complete** part **TWO** of the Spanish Worldview notes. **Part two covers** the last two portions of the Spanish Worldview **Glory** and **God**.
2. Use the **video lecture** or **PDF** copy of the **PowerPoint** slides to **ensure** that you have included the **proper** amount of **detail**. The slides will tell you where the information goes.
3. Please **upload** a copy of your **completed notes** using the **link** provided on **Moodle**. You can upload your word documents or photos of the flap books or handwritten work.
4. Please **complete** the Spanish Worldview **quiz** using the **link** on **Moodle**.

Zoom Meetings – These will **continue** to be **optional**. Upon discussion with students these forums will be **live lectures** with discussion. Students indicated they felt this would be more beneficial. These lectures will take place on **Mondays** at **11:00am** all **additional times** throughout the week will be for **drop in and extra help**.

**Math:** Complete your math work in the order stated in this overview

This week you will need to calculate the surface area of a triangular prism.

**Monday** - Watch videos on surface area of triangular prisms. The textbook questions are at the end of the second video. I will be doing a live lesson, on this material, on Zoom at 1:00

**Tuesday** - Go to the website below and watch the video on "**Calculating Surface Area**". Once you have watched this video click on the Word Problems tab on the left side and do it, then do Review questions 1 and 2 and then proceed to Practice Exercises, on this website.

### Wellness Activities:

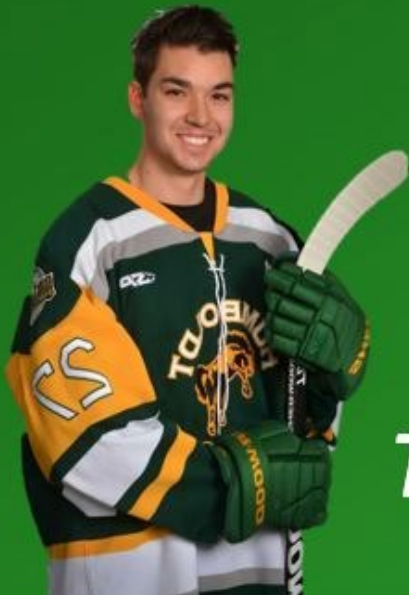

Hey Gators!

This week we wanted to remind you of a couple important resources that you can access if you are in need of support.

- Kids Help Phone - 1-800-668-6868 or text 686868 or download the 'Always There' App
- 24 Hour Hope for Wellness Helpline (For Indigenous Youth) - 1-855-242-3310  
or go to [Hope for Wellness](#) for an on-line chat counseling service.

Take care, be well and stay connected!
