#GETREAL G.S. LAKIE CHALLENGE

HATS ON FOR MENTAL HEALTH

Wednesday, May 6, 2020

We invite our G.S. Lakie family to wear your hats to support mental health awareness!

Show us all the many ways you are taking care of your mental health! Be creative Gators and have fun with this! Take a photo or a video of you with your hat on, doing something that is positive for your mental health!

Maybe for you, taking care of your mental health happens through art, such as painting, dancing, sculpting or beading, maybe through physical activities, such as walking, jogging, soccer, or playing on a trampoline, maybe through singing drumming, writing, music, cooking, talking with friends and family, maybe by spending time with your pet, quality time with a parent or a sibling, gardening, reading a good book, relaxing, watching a movie, or sewing.

What have you found works for you to take care of your mental health?

SEND YOUR PHOTOS OR VIDEOS TO: Jennifer.MeltingTallow@lethsd.ab.ca
