### Wellness:

*Good Morning Gators!*

*We hope you had a restful Mother's Day weekend and were able to share in special moments with family, friends and loved ones near and far.*

*With the month of May well under way, we know that you are working hard to keep that motivation up. Some days may feel harder than others, when you don't feel like doing the work, where you are digging deep to get your grit on. Check out these lyrics to help keep that motivation up! [Dear Hard Work](#)*

*With the ongoing impact of COVID-19, we wanted to share a beautiful video of Andra Day performing [Rise Up](#) during One World: Together At Home, to thank all of our front line workers and service providers, many of whom are our parents, family members and friends. We thank you! We are appreciative for all you do!*

*We wanted to remind our Lakie family that even though we are physically apart, we are in this together, we are strong and we will rise up! If you or your family are in need of support of any kind, please reach out to us.*

*Keep connected, be well and stay safe,*
